Section A – the Terms that apply to your Account

Key information

These Terms apply to your Account and the Services we, Alliance Trust Savings, will provide to you.

These Terms apply because you have chosen to operate your Account direct rather than through a financial adviser. You must tell us if this changes. Different terms will apply if you wish to operate your Account through a financial adviser.

We recommend that you read all of these Terms carefully before you decide to use our Services and that you keep a copy safe for future reference.

In particular, we would ask you to note:

- throughout these Terms, where we refer to “you”, this means the individuals or Organisation (including a trust) in whose name the Account is held;
- our Agreement with you is made up of:
 - these Terms;
 - your completed Application;
 - our Charges Guide;
 - the SIPP Scheme Rules – if you have a SIPP Account or Child SIPP Account; and
 - the Key Facts – if you have an ISA, Junior ISA or SIPP Account.
- our Agreement with you sets out the scope of the Services that we will provide to you when you open an Account with us and what we need you to do to help us provide our Services;
- we may vary these Terms, our Charges Guide and the SIPP Scheme Rules in the circumstances described in the “How and when we will vary our Terms and Charges” section of these Terms;
- our Charges Guide sets out in detail what you will have to pay to use our Services. Please read this carefully. It is important that you make sure that there is enough Cash in your Account at all times to cover any Charges that you incur. Please note that under Section 2.1.10 of these Terms, if you do not have enough Cash in your Account to cover the Charges that you incur or income that you have asked us to pay you, we have the right to sell you Investments without giving you prior notice;
- other documents we refer to in these Terms may be updated from time to time. The current versions of these are available on our Website.
- we are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority;
- you must make your own decisions as to whether your Account and investment choices are suitable for your own individual circumstances. **We do not give financial advice. Our Service is execution only; and**
- we are authorised by the Prudential Regulation Authority to hold cash deposits, and these are not subject to the FCA Rules relating to client money. Your Cash will be held by us as an approved banker and not as your trustee or agent.

Important

Before opening an Account, you **must** read:

- the Key Facts for the Account (where applicable);
- the ‘Risk Warnings’ set out in Section B of these Terms; and
- (before buying any Funds for your Account) the Key Investor Information Document and Supplementary Information Document for the relevant Fund.

Operating an Account and using our Services means that you accept the risks of buying and selling Permitted Investments through our Platform. If you need further information, please contact us or seek independent advice.

Our promise to you

During the term of our Agreement with you, we agree to:

- provide our Services with reasonable skill and care;
- treat you (and for an Account opened for a Child, the Child) as a retail customer for the purposes of the FCA Rules so that you will have the benefit of the highest level of protection given by the FCA to users of financial services, however, please note that, although we classify you this way, you may not be eligible to use the Financial Services Compensation Scheme or the Financial Ombudsman Service unless you meet their separate eligibility criteria;
- provide you with your Security Details that you need to operate your Account, as soon as our Agreement with you is concluded so you can start using your Account;
- act on any instructions given by you or a person authorised by you in accordance with our stated procedures except in the circumstances set out in Sections 4.1.3 and 7.4.1 of the General Terms;
- hold your Investments within your Account in accordance with the FCA Rules and as more specifically described in Section 8 of the General Terms;
- use the information that you give us and that we hold in relation to your Account to provide our Services and to meet our legal obligations all in accordance with Section 1 of the General Terms and our Data Protection and Privacy Policy in “Section B – Useful Information”; and
- take responsibility for any losses that you may suffer as a result of using our Services where we, or our Nominee or agents, are negligent or fraudulent or knowingly or recklessly fail to comply with, or otherwise materially breach, the FCA Rules or these Terms – for more details about our liability to you, please refer to Section 12 of the General Terms.

Your promise to us

During the term of our Agreement with you, you agree to:

- take responsibility for your own decisions as to whether an Account and/or a Permitted Investment is suitable for your own individual circumstances;
- obtain any advice that you may need as we do not provide any recommendations or financial advice;
- provide information that is true and accurate, and tell us without delay if any important information that you have given us changes;
- not use the Services to provide business services to another person and not otherwise use the Services in an inappropriate or illegal way, for example, to undertake market abuse or very frequent or excessive trading;
- prevent any third party from accessing the Services using your Security Details without our express consent;
- give us clear and unambiguous instructions; and
- make sure that you have enough Assets in your Account at all times to meet the requirements and cost of any instructions that you give us, including any Charges payable.

Our Agreement with you is concluded when we confirm acceptance of your Application. We may refuse an Application for any reason. For online Applications, this will be after you have clicked 'submit' at the end of the Application. For paper Applications, this will be after we have received your Application. We may refuse an Application for any reason.

Our relationship with you is also regulated by Regulatory Requirements.

Unless we expressly state otherwise, these Terms will take precedence over any other information that we give or make available to you. If the General Terms and the Specific Terms that apply to our SIPP Account or ISA contradict each other, the Specific Terms will apply. If these Terms and the Regulatory Requirements contradict each other, then the Regulatory Requirements will apply.

English law applies to our Agreement with you and all notices and communications in relation to your Account will be in English.

Your right to cancel

You may cancel our Agreement by writing to us at, "Alliance Trust Savings Limited, PO Box 164, 8 West Marketgait, Dundee, DD1 9YP". If you wish to cancel, you must tell us within 30 days of your acceptance of these Terms online or, in the case of paper Applications, within 30 days of your receipt of our confirmation that your Application has been approved.

We will complete any Orders that you have given us before you tell us that you want to cancel our Agreement and you must pay any Charges that we reasonably incur in completing those Orders.

When you cancel our Agreement you may not get back the amount that you invested. We will return your Assets to you as set out in Section 10.3 of these General Terms after we have deducted any Charges that are due.

For a SIPP Account or an ISA, please use the cancellation form provided with your Application.

If you have a SIPP Account you may also cancel a transfer from another pension scheme into your SIPP Account, or your first request for income withdrawal from your SIPP Account.

If you cancel a transfer to your SIPP Account, we will return all money we may receive to the transferring pension provider. If they will not accept the money being returned, or will only accept the money on different terms than applied before the transfer, you must tell us if you want us to pay the money to another pension provider. If you do not tell us where you want us to pay the money within 30 days we will deduct Charges from your SIPP Account until we can make the transfer to another pension provider.

If you cancel your ISA we will tell the transferring individual savings account manager that you have done so. Any income or gains made on your Subscription in the period will be exempt from tax.

We will make any Cash payments to you by BACS unless we agree otherwise. We will not be liable to you if, because of adverse changes in the market, the value of your Assets has dropped whilst your Account has been open.

We will have no obligation to you once we have completed your cancellation instruction, except in relation to any error or omission in our provision of the Services which you later discover and tell us about.

For further information about our Services, please read our Platform Guide.

We will not be liable for any losses that you or any third party may incur as a result.

4.2 Changing/removing an Authorised Person or Registered Contact

4.2.1 To change or remove an Authorised Person or Registered Contact, you must tell us in writing. Where applicable to your Account, your notice must be signed by all Joint Holders, trustees, existing Authorised Persons or Registered Contacts unless an existing Authorised Person or Registered Contact:

- (a) is dead or incapacitated;
- (b) cannot be contacted;
- (c) (where applicable) is no longer the parent or guardian, or no longer has parental responsibility over a Child; or
- (d) Regulatory Requirements mean that we do not have to.

4.2.2 We may decline to accept any new Authorised Person or Registered Contact without giving you a reason.

4.3 Joint Holders

4.3.1 We will take instructions from, make payments to, and communicate with, any Joint Holder unless we tell you otherwise. This means all named parties will be jointly and individually responsible for the operation of the Account and that any one Joint Holder may place or confirm an instruction which will bind all parties to the Joint Account, except as set out in Section 4.3.2 of these General Terms.

4.3.2 If you wish to:

- (a) withdraw your Assets;
- (b) merge your Account with another Account;
- (c) close your Account or transfer it to another provider;
- (d) change your personal details;
- (e) change your Bank Account or payment details; or
- (f) give or revoke the authority of a third party (including an adviser) to operate your Account,

you must give us written notice signed by all Joint Holders.

4.3.3 Each Joint Holder will be given their own Security Details.

4.3.4 Each Joint Holder is liable both jointly and individually to meet all of your obligations under the Agreement and we may ask all or any one of you to pay in full any amount you owe us, not just a proportion.

4.4 Organisations

4.4.1 We will take instructions from and communicate with any Authorised Person on your Application, except as set out in Section 4.4.2 of these General Terms.

4.4.2 If you wish to:

- (a) withdraw your Assets; or
- (b) close your Account or transfer it to another provider. You must give us written notice signed by all Authorised Persons.

4.4.3 If we receive notice of a Winding Up Event affecting you, we will take instructions from those individuals who can demonstrate to us that they are entitled to act on your behalf.

4.4.4 We will only make payments to the Organisation as the Account holder.

4.5 Accounts opened and operated on behalf of another person (including a Child)

4.5.1 For an Account opened on behalf of a Child, we will take instructions from, and communicate with, a Registered Contact or, in the case of a Junior ISA where the Child is over the age of 16 years, an Authorised Person, but we will stop doing so if we become aware that the Registered Contact is no longer the legal guardian or no longer has parental responsibility or you tell us that the Authorised Person is no longer authorised to give instructions in accordance with Section 4.2.1 of these General Terms).

4.5.2 In the case of all other Accounts, we will take instructions from, and communicate with an Authorised Person until you tell us that the Authorised Person is no longer authorised to give instructions in accordance with Section 4.2.1 of the General Terms).

4.5.3 If an attorney or other agent has been appointed by you or on your behalf, we will need proof that they have been properly appointed including, where applicable, evidence that the document appointing them has been appropriately registered, before we will accept them as an Authorised Person.

4.5.4 Once we have accepted that the appointment of your Authorised Person is valid, we will continue to act on the instructions of that person until we receive notice to our reasonable satisfaction that that person no longer has authority to give us instructions for your Account.

4.6 Third parties

4.6.1 You may authorise us to disclose information about your Account to a third party and/or authorise us to accept instructions from a third party for your Account and Assets:

- (a) in your Application; or
- (b) at any time during the course of our relationship, by completing a third party authority form.

4.6.2 You will, at all times, remain fully responsible for the operation of your Account by any authorised third party including any Authorised Persons.

4.6.3 We will not be able to accept payments, subscriptions or contributions to your Account or withdrawal instructions or changes to your personal details from any third party who you have authorised to give us instructions in relation to your Account and Assets unless that person has been formally appointed to operate your Account (for example by power of attorney) and we have accepted them as an Authorised Person.

4.6.4 When we receive instructions from a third party seeking to operate your Account, we may, but do not have to, ask for proof of their authority to act and may require them to verify their identity. We will not be responsible for the consequences of any delay in processing the instruction as a result of making any such request.

4.6.5 We will continue to accept instructions from any third party authorised by you until we receive written notice from you (or any other appropriate judicial or regulatory body) revoking that authority.

4.7 Account Security

4.7.1 You must use the Security Details that we give you to access your Account and to give us any instructions.

4.7.2 You must take all reasonable precautions to keep safe and prevent fraudulent use of your Security Details. You must take reasonable care not to disclose, or to allow the disclosure of, your Security Details. Please note we will never ask for your password over the telephone. You should not respond to any unsolicited emails which look as if they originate from us which ask you to enter your password or personal information. We will never issue emails of this type unless specifically requested by you to do so.

4.7.3 We may rely on any instructions that we receive whilst your Account has been activated using your Security Details. In addition, you will be responsible for (and we shall be entitled to rely upon) any relevant instruction which is authenticated using your Security Details, unless you establish that the relevant instruction is not an authorised instruction and either:

- (a) we acted upon the relevant instruction after you had told us, or we otherwise had actual notice, that your Security Details or any other access details in relation to your Account had been disclosed to or otherwise obtained by an unauthorised third party or if the safety of these Security Details was in jeopardy; or
- (b) the unauthorised use of your Security Details or any other access details in relation to your Account (and our reliance on the relevant instruction) did not result from your failure to take reasonable care to protect such details or otherwise to comply with your obligations under this Section 4.7 of these General Terms.

4.7.4 You should change your Security Details and contact us immediately if you know or suspect that any of your Security Details or any other access details in relation to your Account have been disclosed to, or obtained by, an unauthorised third party or if the safety of these Security Details may be in jeopardy.

4.7.5 We will act on any instructions given in accordance with our stated procedures that appear, in our reasonable opinion, to be valid, and have no duty to make any further enquiries in relation to such instructions.

4.8 Risks of online communication

4.8.1 We will take all reasonable measures to make sure that the security of our systems is not compromised. However, there are inherent risks in using an online system. We cannot guarantee that they will be free from:

- (a) technical failure or corruption;
- (b) error or delay; or
- (c) misuse, fraudulent use or access by unauthorised persons.

4.8.2 We will not be liable for losses caused as a result of anything that is outside our reasonable control.

4.8.3 We recommend you and any person acting on your behalf use anti-virus software on your computer or any other electronic device that you use to access our Services.

4.8.4 You accept that, from time to time, sending information through the internet may be unavailable, interrupted or restricted whether due to circumstances beyond our reasonable control including, for example, a lack of availability or interruption of the internet or other telecommunication system or otherwise.

4.8.5 Communications between us through the internet, by phone or other means are not guaranteed to be secure or reliable. For that reason, we advise that you do not include your Client Reference or Account number in any email communication with us.

4.8.6 You are responsible for ensuring you have suitable working facilities that enable us to communicate in order for you to use our Services.

4.9 Availability of our Services

4.9.1 We will make reasonable efforts to make sure that our Services are available to you, but we cannot promise that you will always be able to access our Services. In particular, we may, from time to time, have to suspend our Services to maintain or upgrade our Website, or you may not be able to access our Services because of disruptions to our Website, problems with telephone networks or because you are in an area that does not have mobile telephone coverage. We will not be liable to you if our Services are unavailable through our Website.

4.9.2 If you are unable to use our online Service, you may still use our Services by telephone or post.

5. How we communicate with you

5.1 Method of communications

5.1.1 You may tell us how you would prefer to communicate with us when you open your Account. If you opt for communication by post, we may apply Charges in accordance with our Charges Guide.

5.1.2 If you apply for your Account:

- (a) on our Website – we will communicate with you online using the most recent email address that you have given us; or
- (b) by post – we will communicate with you by post using the most recent postal address that you have given us;

unless you tell us otherwise by changing your Account communication preferences through our Website or by contacting us directly.

5.1.3 If we make material changes to our Agreement we may send you notice by post or email.

5.1.4 All correspondence and notices sent by us shall be deemed to be received by you 2 Business Days after posting if sent by first class post to addresses within the UK, or 4 Business Days if sent by second class post to addresses within the UK, airmail post to addresses outside the UK, or when despatched if sent by email. However, this Section 5.1.4 of these General Terms will not apply to any correspondence or notice if:

- (a) such correspondence or notice is returned to us undelivered; or
- (b) you establish that you did not receive it at your address within the relevant period or at all; and
- (c) any such delay or failure in receipt was not a result of your omission to inform us of a change of your address in accordance with your obligation to do so under Section 5.1.7 of these General Terms.

5.1.5 We will make reasonable efforts to contact you using the email or postal address that you give us but if our emails bounce or our correspondence is returned marked, “gone away” we will not send any further communications to that address.

5.1.6 We will take reasonable steps to try to contact you to get your new details, but we do not have to send further communications until you provide us with correct details. Section 10.6 of these General Terms provides further information on the action we may take if your account contains unclaimed Investments.

5.1.7 You must tell us without delay if your or their contact details change or if the details of any Child (for whom you are the Authorised Person or Registered Contact) change.

5.2 Recording communications between us

We may record and/or monitor telephone conversations, email or other communications between us to comply with our obligations under applicable Regulatory Requirements, to record instructions that you give us and for training or research purposes. These records form part of the information that we hold about you and will be handled in accordance with our Privacy Policy which can be found in “Section B – Useful Information”.

5.3 Communicating with third parties

If agreed with you, we will send copies of communications to your agent, attorney, delegate or any other third party nominated by you. This may incur an additional Charge (as set out in our Charges Guide).

5.4 Reporting

5.4.1 We will prepare a contract note confirming details of your trades. (For further details please see Section 7.7 of these General Terms (Order Confirmation)).

5.4.2 We will prepare a transaction and valuation report every six months (usually in April and October) containing details of all transactions on your Account.

5.4.3 If you have chosen online communication we will tell you by email when each report is available in your Account online. Otherwise we will send the report to you by post.

5.4.4 If you ask us, we will provide you with hard copy statements or ad hoc valuations. We will charge for this Service as set out in our Charges Guide.

5.4.5 If you have Investment Dealing Account, we will send you a consolidated tax certificate after 5 April each year containing details of the income earned on your Account during the previous Tax Year. We will provide a single consolidated tax certificate for joint Accounts and we will not provide tax information specific to any beneficial owner of an Account.

5.4.6 You must monitor the reports that we send or make available to you about your Account and tell us immediately if you notice:

- (a) any error or omission in any contract note or other report that we send or make available in relation to your Account;
- (b) you have not received confirmation of a trade that you are expecting; and/or
- (c) there have been any unexpected transactions.

We may not be able to take any action to correct any problems if we are not told of a concern within 6 months of the report being issued to you.

5.5 Information that we provide to you

5.5.1 You may download or print individual sections of the Website and information from websites linked to it strictly for use in relation to your Account, provided that you keep intact all copyright and proprietary notices but you must not reproduce or distribute any material without our consent. Please read our Website's terms of use.

5.5.2 Any news, prices and other information that we give you is provided solely to help you make your own investment decisions and is not a personal recommendation or financial advice. It is also not an offer by us to buy, sell or otherwise deal in any particular Permitted Investment.

5.5.3 When we provide market information, we use sources we believe to be reliable. If we use an independent information provider to provide that market information, we will use all reasonable care to make sure that the provider is suitable, but, because we have no control over the information sources, we cannot guarantee that the market information is accurate, complete or timely, or that it will always be available to you.

5.5.4 Market information is not necessarily available to you through all of our communication channels. You should satisfy yourself that market information is reliable before you make any decisions or take any actions based on it. We are not responsible for any decision or action you take or any loss you or anybody else may suffer as a result of your decision or action.

5.5.5 We are not responsible for the contents of any information that we send to you that has been prepared by a third party (for example a Fund Provider or investee company).

6. Payments into your Account

6.1 We will deal and settle all transactions in Sterling unless agreed otherwise.

6.2 You can make payments into your Account at any time by electronic bank transfer, debit card or cheque. Cheques must be accompanied by a written instruction from you. Payments into your Account may take up to five days to clear and may not immediately be available for investment (although they may be shown as Cash in your Account). If a payment is not honoured, we will adjust the Cash balance in your Account. We may also apply a Charge in accordance with our Charges Guide. Certain minimum limits may apply. These are set out in our Application and instruction forms.

6.3 We will accept payments into your Account from third parties provided we are able to verify the identity of the person making the payment.

6.4 If a third party has set up a direct debit mandate for your Account, only this person can change the direct debit mandate.

6.5 We will credit your Account with any portion of the Annual Management Charge we receive from a Fund Provider in respect of any Fund that is held in your Account which, under Regulatory Requirements applicable at the time you are eligible to receive.

6.6 We may reclaim a payment or refund a transfer (whether in whole or in part) made in error to your Account without your authority.

6.7 Any amount refunded may be less than that paid because of our Charges, the performance of the Permitted Investment or tax, charges or interest applied by HMRC.

6.8 We may decline any payment or transfer into your Account entirely at our discretion.

7. Trading

7.1 Investments

7.1.1 We will only process Orders for, or accept transfers in of, Permitted Investments which are available through our Platform.

7.1.2 We may alter the range of Permitted Investments available through our Platform at any time and may require the sale (or if permitted by applicable Regulatory Requirements, the transfer or withdrawal) of Investments which have been removed from the range of Permitted Investments. When we do so, we will, where practical, give you advance notice. There may be occasions when we are not able to give you advance notice, for example when the change is:

- (a) required immediately to comply with Regulatory Requirements;
- (b) as a consequence of circumstances outside our control; or
- (c) required immediately in order to protect your interests.

If any such change affects your Account, we will write to you to tell you of the change and the options available to you.

7.1.3 Certain Investments may be subject to conditions which you must meet before trading in them. If you cannot meet these conditions, you may not be able to invest. We will not be responsible for any delay in processing your Order whilst you provide further information necessary to show us that you meet the further conditions of investment.

7.1.4 Assets held in your Account may have their own charges which include initial charges, ongoing charges and dilution levies. We are not responsible for telling you about these charges. However, they may be available in the regulatory documentation relating to the Asset.

7.1.5 You must obtain our prior written consent if you wish to use the Investments held in your Account as security for a loan.

7.1.6 You agree that we may use an authorised fund manager who, in the course of settling a transaction (purchase or sale), treats the money in relation to that transaction on a 'Delivery versus Payment' (DvP) basis. You should be aware that during this 'Delivery versus Payment' window (one business day), any money being paid or received by that authorised fund manager in relation to that transaction need not be afforded, by the authorised fund manager, client money protection as defined under the FCA's rules.

7.2 Certificated Investments

7.2.1 If you are selling Investments which are represented by a certificate you must ensure the certificate, any documents of title, duly signed transfer forms or other documents necessary to enable us to give effect to your sale are delivered to us a least 3 Business Days before the relevant settlement date.

7.2.2 You are recommended to use registered mail for the delivery of documents to us, as we are not responsible for documents that are lost before they reach us as set out in Section 2.1.5 of these General Terms.

7.2.3 If there is a delay in the delivery of relevant documents we may delay or refuse to execute your instruction as set out in Section 4.1.3(d) and 4.1.3(e) of these General Terms.

7.2.4 We are responsible to the market for trades we execute for you. If you sell Investments and we do not receive the documents required to give effect to the sale by the date specified on the contract note, then in order to manage our exposure, we reserve the right to:

- (a) reverse any outstanding transaction and charge any resulting loss (including dealing costs) to you; or
- (b) buy securities on your behalf to fulfil your obligations to deliver. You will be liable to us for any difference between the amount that is received for the sale and the cost of buying the securities in order to settle the sale transaction.

7.2.5 If you do not pay us on time for purchases we reserve the right to sell Investments held on your behalf by our Nominee or third party custodian and apply the proceeds towards meeting your obligations to us.

7.2.6 We will use reasonable efforts to contact you by telephone in good time before taking any such action, but you should be aware that we may not be able to do so if we consider it appropriate to act quickly to try to reduce your and our exposure. If we have not given you advance notice, we will contact you promptly afterwards to explain what action we have taken.

7.2.7 We will send documents of title by registered post to the last address which you have notified to us and will keep evidence to show that we have done this. Provided that we comply with these obligations we will not be responsible for any failure or delay on the part of the postal service. If you hold your Investments in certificated form and do not receive a certificate for a purchase and/or balance certificate in respect of a sale within four weeks of the relevant settlement date, you must contact us as soon as possible.

7.2.8 In the event that you purchase an illiquid holding or non-readily realisable Investment, please be aware that we are reliant on stock being available in the market in order for us to deliver it to you. This may result in a delay in delivery which is beyond our control.

7.3 Policies

7.3.1 All dealing will be subject to our Order Handling Policy and the rules, regulations, customs and market practice of the Execution Venue

in which the transaction takes place. If there is a conflict between the rules and regulations of the Execution Venue and these Terms, the rules and regulations of the Execution Venue and will take precedence and will apply.

7.3.2 Because of the complex nature of our business, circumstances may exist which give rise to a conflict between our respective interests or between you and another customer. To make sure that we take these into account when we execute your Order we have implemented a Conflicts of Interest Policy. This explains how conflicts of interest can arise and the arrangements we have for managing them.

7.3.3 Our Order Handling Policy and Conflicts of Interest Policy are in 'Section B – Useful Information'. The Services we provide under our Agreement will be provided in accordance with these policies which may be amended from time to time. The current versions of these policies are also available on our Website.

7.3.4 If we make a material change to our Order Handling or Conflicts of Interest Policies we will tell you in writing. If you continue to use your Account after we have notified you of any change you will be deemed to have accepted the changes made.

7.4 Placing your Orders

7.4.1 You can place Orders for your Account online, by telephone or by post. Our Platform Guide provides more details. If you place an Order by telephone, we may ask you to confirm your identity and we may not accept your Order unless we have been able to verify your identity to our satisfaction. We will be entitled to treat as genuine any Order placed by telephone (subject to proof of your identity) or through the Website using your Security Details.

7.4.2 Our telephone dealing service allows for Orders to be given by you and executed by us over the telephone. Please refer to our Platform Guide for information on how to contact us and for our usual opening hours. We reserve the right to alter those hours and while we will use reasonable endeavours to give advance notice where possible by posting the change on the Website, there may be occasions beyond our reasonable control when we are unable to give advance notice. Where we are unable to give advance notice, we shall post details of the change on the Website as soon as reasonably possible. If any such change is significant, we will give you personal notice of it under Sections 14.1 and 14.2 of these General Terms. We shall also tell you know, if we have determined that it is reasonably possible to do so, how we propose to minimise any adverse effects for our clients of any significant change.

7.4.3 We will tell you if we must receive an instruction from you:

- (a) before a certain time of day;
- (b) in a certain format;
- (c) with authentication; and/or
- (d) containing certain information.

If any instruction we receive does not meet any of these requirements, this may delay our ability to process it.

7.4.4 Before instructing us to buy Permitted Investments for you, you must make sure that you have enough Cash in your Account to cover the price of the trade and any Charges that must be paid for the trade. We will apply any Charges in accordance with Section 2.1.3 of these General Terms. We may delay or refuse to carry out your Orders if you do not have enough Cash in your Account to meet the cost of your Order.

7.4.5 You may transfer Cash from another Account that you hold with us (provided that this is allowed under the terms of that Account).

7.4.6 When placing a Limit Order you must make sure that you have enough Cash in your Account at all times whilst the Order remains active to allow us to execute the Order at any time. A Limit Order nor Market Order will remain open for 90 days unless you amend or cancel it. It is your responsibility to monitor the Order regularly.

7.4.7 We may cancel a Limit Order or a Market Order if the Investment to which the Order relates is subject to a Corporate Action.

7.4.8 If you give us an Order and we give you an indicative price, we cannot guarantee that this will be the price at which your Order is executed as market prices move continuously. When you place an Order to trade in a Fund, we will not be able to provide a price for the Investments at the time of your instruction due to the way in which these products are priced by the relevant Fund Provider.

7.4.9 If you give us an Order to trade in an Investment where the price has been influenced by stabilisation, we will buy or sell the Investments as instructed, and we will not be responsible for any loss suffered as a result. Stabilisation is a price-supporting process that very often takes place in the context of new issues, including rights issues and, in particular, privatisations. It only takes place for a specified period. There are limits on the price at which shares, warrants or depositary receipts may be stabilised but none in respect of loan stock or bonds. Stabilisation can affect the market price of investments of the same class already in issue and of other investments whose price affects the price of the new issue. It takes place in order to ensure that an issue is introduced to the market in an orderly fashion and that the issue price and/or the price of associated Investments is not artificially depressed as a result of the increase in supply.

7.4.10 If you place an Order online of a size which is larger than our market counterparties are willing to trade in at that time, you will be directed to telephone us so that we may process your Order. In these circumstances we may not always be able to obtain a quote for the whole of your Order.

7.4.11 We will accept Orders that relates to Investments that meet the FCA's criteria for complex and non-complex Investments. However, we will not accept Orders that relate to unlisted Investments. If you wish to deal in complex Investments then we are required to assess whether the Investment is appropriate for you before we carry out any Order. We will tell you if an Investment is categorised as complex and we will ask each Account holder to complete an Appropriateness Test Form. This is because we have to determine whether you have the necessary experience and knowledge to understand the risks involved in dealing in complex Investments. However, we will not assess whether that Order is appropriate to your needs and circumstances. If you do not complete the Appropriateness Test Form or if we determine that Investment in that type of complex product is not appropriate for you, we will provide you with a warning before executing the Order. Where we are satisfied that a particular type of complex product is appropriate for you, we will execute the Order on your behalf. You must rely upon your own judgement when dealing with non-complex Investments and will not benefit from the protection of the FCA requirements to assess suitability.

7.4.12 There may be minimum amounts of an Investment that can be bought or sold in a single transaction. We can refuse to accept an Order below the minimum amount for that Investment. We will use all reasonable endeavours to tell you of any minimum that may apply to any Order placed with us.

7.5 Order execution

7.5.1 We may delay, or refuse to execute your Order if:

- (a) we have reasonable cause to believe that the proposed transaction may constitute market abuse or market timing or we otherwise have reasonable cause to be concerned that the placing of the Order may breach Regulatory Requirements;
- (b) we have reasonable cause to suspect that the Order was not placed by you or someone that we have agreed may operate your Account on your behalf / that the Order has been placed fraudulently;
- (c) we believe that you do not have a legal right or authority to deal in the Investments;
- (d) your Order does not meet the minimum investment criteria for the Units that you want to buy; or
- (e) extreme market conditions exist and we have stopped taking trades in either one Investment or Investments in general.

7.5.2 When we accept your Orders, we will use reasonable endeavours to carry them out. However, we cannot guarantee that we can give effect to them or that they will be carried out immediately as this will depend on market conditions which are subject to sudden and unpredictable changes.

7.5.3 We will tell you if we have had to delay or are unable to execute your Order (unless we are prevented from doing so because of Regulatory Requirements).

7.5.4 We will tell you if we are unable to process your Order through the Website. You can place the Order by telephone but we may apply a Charge in accordance with our Charges Guide.

7.5.5 We will process Orders in more than one class of share or Unit and buy and sell Orders as separate trades. A separate Charge will apply for each Order.

7.5.6 If we have to execute an Order relating to a Corporate Action or receive a dividend or other Corporate Action payment in a currency other than pounds Sterling, we will carry out a foreign exchange transaction to convert the payment or dividend to pounds Sterling, which could take a number of days to settle.

7.5.7 Our record of the time of receipt and execution of an Order will be conclusive unless it is obvious that it is wrong.

7.5.8 We will not agree to sell any Investments on your behalf if we reasonably believe that a sale may result in you incurring a Short Position. You agree you will not instruct us to deal when the transaction would mean that you incur a Short Position. If you do give such an instruction you will be in breach of your obligation under this Section 7.5.8 of these General Terms and we may, without prior reference, to you, buy the relevant Investments to cover our obligation to deliver the Investments. You agree we may recover from you any reasonable expenses incurred by us in doing so.

7.5.9 We reserve the right to refuse any Rollover transaction. If you Rollover a transaction more than once without our express consent we reserve the right to reverse the subsequent Rollover transaction(s) and you will be liable for any costs reasonably incurred as well as for any fees or costs incurred from the original transaction. All of these amounts will be due to us by the original due date for settlement of the first trade.

7.6 Aggregation of Orders

7.6.1 We may join together ("aggregate") your Order with other client

Orders for the same Investments. When we do this, you may get a more favourable price or a less favourable price than if your Order had been executed separately.

7.6.2 If an aggregated Order is too large to be dealt at one time, the Order may take place in separate smaller transactions. In this case, the average price for the total Order will be calculated, and the allocation of investments to each Account will be based on the average price. This may sometimes work to your advantage or disadvantage.

7.6.3 Orders we receive from you which are not aggregated with Orders from other clients will be processed by us on a time priority basis, which means that we will execute the instruction we have received first (whether it is from you or from another client).

7.7 Order confirmation

7.7.1 We will generate a contract note for all Investments (except Units), by the end of the day on which they were bought. For Units, contract notes will be issued no later than the first Business Day after the transaction, or if applicable, after we receive price confirmation from the Fund Provider and our system being updated.

7.7.2 If you have chosen online communication we will send you an email to tell you when your contract note is available to view on our Website. If you have chosen to be contacted by post, your contract notes will be sent to you.

7.7.3 The contract note will detail the amount debited or credited to your Account. You must check that the information on the contract note is correct and tell us as soon as possible if it is not.

7.8 Settlement of Orders

7.8.1 If there are delays beyond our control in the settlement of a transaction, we can delay settlement of any subsequent sale or purchase until the first transaction has settled and been delivered.

7.8.2 Your contract note will confirm the relevant settlement date for the transaction and the amount you must pay to us. If we have agreed that you can pay by debit card, your Bank Account will be debited immediately on the trade date and so you must have cleared funds available in the relevant Bank Account at the time you instruct us to deal. In all other cases you must ensure that cleared funds are available in your Account on or before settlement day of a purchase order unless agreed otherwise with you.

7.8.3 If you do not pay the purchase price of an Investment (including Charges) by the settlement date given on the contract note, we may:

- (a) treat any transaction that has not been completed as having been cancelled and terminated; and/or
- (b) use any cleared Cash in your Account towards payment of any amount owed by you and, if the Cash in your Account is not enough to pay any sums due to us, require you to pay any sums remaining.

7.8.4 We will use reasonable efforts to contact you by telephone in good time before taking any such action, but you should be aware that we may not be able to do so if we consider it appropriate to act quickly to try to reduce your and our exposure. If we have not given you advance notice, we will contact you promptly afterwards to explain what action we have taken.

7.8.5 If you do not pay any sums outstanding when we ask you to, we may sell any of your Investments or connected rights, and apply the proceeds to settle the amount owed by you. Details of how we do this are in Section 2.1.10 of these General Terms.

7.8.6 You will have no rights in the Investments until:

- (a) you have paid for them and any related Charges in full; and
- (b) the transaction has settled.

7.8.7 We may update our books and records to reflect the delivery or receipt of assets or cash prior to actual settlement of the transaction in the market. In such circumstances, should settlement of the transaction fail, we will unwind the transaction and adjust our books and records to reflect the fact that the purchase or sale has not yet occurred. We may suspend your Account until payment (including any Charges due) has been made in full.

7.8.8 If you pay us more than is required for settlement of your Order, we may hold the overpayment in our capacity as banker as set out in Section 8.1.1 of these General Terms for you unless you instruct us to repay the difference to you or return the funds to you at your last known address or we have a separate agreement to remit such funds to you. If we pay you more than the amount due for settlement, you agree that upon request you will promptly repay any amount due to us.

7.9 Cancelling your Orders

7.9.1 Once we have received an Order from you and acted on it, you will not be able to change that instruction.

7.9.2 If you tell us that you wish to cancel a Market Order or a Limit Order we will use reasonable efforts to halt the execution of the transaction. However, we will not be liable for the financial consequences to you, if we are unable to stop the execution of the Order (for example if your Order has already been transmitted to a third party for execution).

7.9.3 We may cancel any duplicate or repeated instruction you give to us where the circumstances indicate that your intended transaction has been split into smaller Orders to take advantage of any market limitations or restrictions.

7.10 Regular trading

7.10.1 You may give us instructions (either online, by telephone or written) to make regular purchases of Permitted Investments that you specify on a monthly, quarterly, half-yearly or annual basis.

7.10.2 You must set up a direct debit from your Bank Account from which we will take the dealing costs for your regular Investments.

7.10.3 Online monthly dealing and direct debit payments will be taken from your Bank Account on 1st, 8th, 15th, or 22nd of each month (or the next business day if these dates do not fall on a Business Day) and your regular Investments will be made within two Business Days.

7.10.4 If you wish to pay from Cash already held in your Account regular Cash payments will be taken on the 3rd Monday of every month or the next Business Day if the Monday is a bank holiday.

7.10.5 Minimum Investment limits may apply to any regular Investments that you make. Details of these limits are available in our research area for each Investment available through our Website.

7.10.6 If you do not have enough Cash in your Account to make your regular investment we will collect any available Cash, of up to your regular amount, and invest it on a percentage basis in line with your instruction. The minimum payment we collect is £50.

7.10.7 If the Permitted Investments that you wish to buy are not available on that date, the Order is placed with the Execution Venue for execution at the next available dealing day.

7.10.8 If you have set up a regular Investment direct debit and later sell all of your holding in the Permitted Investment in question, we will continue to collect the payment until you tell us to stop. If you do not alter your investment instructions we will continue to buy the Permitted Investment until we receive further instructions from you.

7.10.9 If the Permitted Investment included in your regular investment instruction becomes unavailable for any reason we will contact you and your instruction will lapse.

7.10.10 We need 10 Business Days' notice to amend or cancel your regular instruction. If you do not update the instruction online you must send us a new mandate.

7.11 Minimum Investment Purchase

7.11.1 You may set a minimum purchase level for an Investment when you open an Account or at any time whilst you hold your Account, either online or by post.

7.11.2 Once you have determined your minimum purchase level for an Investment, any income received from that Investment will accumulate in your security account until the balance reaches the relevant minimum purchase level set by you, at which point your purchase will be made.

7.12 Transferring investments into your Account

7.12.1 You can only transfer Permitted Investments into your Account.

7.12.2 We will only accept Permitted Investments if:

- (a) we are satisfied that:
 - (i) you are entitled to be the legal or beneficial owner of the Permitted Investments; or
 - (ii) we can verify to our reasonable satisfaction the identity of the person from whom the Permitted Investments are to be received and that that person is the legal or beneficial owner of the Permitted Investments or holds the Permitted Investments on your behalf.

7.12.3 We will only accept Orders in relation to any transferring Permitted Investments after ownership of the Permitted Investments has been transferred to our Nominee.

7.12.4 Whilst we will use reasonable efforts to facilitate any transfer, the time that it takes to transfer any Investments in will also depend on how quickly any current service provider processes the necessary transaction. We will not be responsible for any delay that is outside our control.

7.12.5 We may refuse to accept the transfer of any Investment. We do not need to give you a reason for this.

7.12.6 If Units that you wish to transfer to us are of a class that provides a rebate, we will, following the transfer of your investment to our Nominee, convert them to a clean class version (one that does not provide a rebate) if that is available. We will effect this conversion which might or might not result in a change in Annual Management Charge unless you tell us not to in your transfer in Application.

7.12.7 If Units that you wish to transfer to us are of a class that distributes income, we will, following the transfer of your investment to our Nominee, arrange for any income received to be reinvested in accordance with Section 7.13.1 of these General Terms.

7.13 Income and dividends

7.13.1 Unless you instruct us otherwise, if you opened your account

on or after 1 August 2012 we will reinvest any income that we receive in cash in the same Permitted Investment to which it relates, subject to any minimum purchase level that you set or that may apply. We will charge you for these transactions as set out in our Charges Guide.

If you opened your Account before 1 August 2012, online or by telephone, any Investment income we receive in cash will be held as Cash in your Account. However, where you purchase a Permitted Investment by post, we will reinvest any income that we receive in the same Permitted Investment to which it relates, subject to any minimum purchase level that you set or that may apply.

7.13.2 You can instruct us online, by telephone or by post to:

- (a) direct the income into another Permitted Investment;
- (b) hold the income in your Account; or
- (c) send any income to your Bank Account.

7.13.3 If you alter an Investment instruction you must make sure that any dividend reinvestment instruction is also altered, if applicable.

7.13.4 If you give us a sale instruction for a Permitted Investment with the benefit of a dividend which is then paid to you but to which you are not entitled (i.e. you sell 'Cum dividend'), you agree to pay us the amount of the dividend and we will notify you of any amount due. When an amount becomes due from you we create a debit entry on your Account. Please also refer to Section 2.1 of these General Terms which allows us to offset amounts you owe us against any amounts we hold for you or which are due from us to you. If you give us a sale instruction for a Permitted Investment with the benefit of any rights, bonus or other entitlement (i.e. 'Cum rights', 'Cum bonus' etc.) you undertake to deliver to us all the appropriate documentation relating to the benefit. If you do not, you authorise us to purchase the Investments equivalent to the benefit due and agree to meet the purchase price and any costs or expenses reasonably incurred by us in doing so.

7.13.5 If you receive income from a Permitted Investment after you have sold all of your holding, we will hold the income in your Account until you give us your instructions.

7.13.6 We will allocate any income to your Account within 10 Business Days after we receive it or after we identify it as belonging to you, whichever is the later.

7.13.7 We will not process dividend reinvestment plans or scrip dividends.

7.13.8 Where we receive income from an Investment in a currency other than pounds Sterling, we will convert it into pounds Sterling and will allocate the converted money to your Account in pounds Sterling on the day we receive it.

7.13.9 After your Account is closed we will send to you any income received from the Investments (subject to a minimum payment of £25) that were held in your Account.

7.14 Rights and events relating to your Investments

7.14.1 Shareholder rights

- (a) You should write to us if you would like to receive notice of any meetings at which you can exercise your voting rights in relation to your Investments. If a fee is payable for this Service, this will be shown in our Charges Guide.
- (b) If you instruct us to, we will, in relation to the Investments that we hold for you, arrange for you to:
 - (i) attend meetings of investors;
 - (ii) vote; and

- (iii) through the investee company, access or receive the report and accounts issued to investors. If you are unable to obtain this information we may, if reasonably requested to do so, arrange to send you the report and accounts issued to investors.
- (c) Other than as set out in Section 7.14.4 of the General Terms we will not exercise any voting rights that attach to your Investments or attend any investors' meetings unless you instruct us to. You must instruct us in writing to vote as proxy within a reasonable time prior to the investor meeting.
- (d) Holders of CREST Depository Interests (CDIs) should be aware that unless the issuer of a security has entered into a proxy vote agreement with Euroclear UK & Ireland Limited, holders will not be allowed to submit voting instructions.

7.14.2 Corporate Actions

- (a) We will use reasonable efforts to tell you about a Corporate Action notified to us by a company and request your instructions.
- (b) If you wish us to take any action on your behalf you must make sure that you give us your instructions (by returning the instruction form we send to you) before any deadline that we set.
- (c) If you do not give us instructions by the specified deadline we will, in the case of a compulsory takeover or merger, accept the proposal. In all other circumstances, we will take no action, and, the default option provided under the Corporate Action will apply.
- (d) You must make sure that you have enough Cash in your Account to meet the payments needed as a result of your Corporate Action instructions when the payment becomes due. If you do not do so, your instruction will lapse. Please read the Platform Guide for further information relating to rights issues and similar Corporate Actions.
- (e) If the Investment to which you become entitled as a consequence of a Corporate Action is not a Permitted Investment, we will give you the option to:
 - (i) sell the Investment as set out in our Agreement; or
 - (ii) provided we receive your instruction sufficiently in advance of the date of the Corporate Action to enable us to effect the transfer, either:
 1. transfer the Investment into your own name; or
 2. if the Investments are held in an ISA or SIPP Account, transfer your ISA or SIPP Account to another provider who may permit the Investment to be included in an ISA or SIPP Account with them.
- (f) Where your Investments are registered with our Nominee or third party custodian as set out in Section 8.2 of these General Terms, you may not receive the same treatment or options when there is a Corporate Action or other event as you would if the Investment were held in a separately designated account with a nominee company or custodian in certificated form. For example, following an allocation or share issue that favours the small investor, your allocation may be less than it otherwise would have been if the Investments had been registered in your own name. Section 7.14.6 of these General Terms contain more information about how we deal with fractional entitlements arising because Investments are held in our Nominee. You will also not be entitled to any company privileges or shareholder perks to which you would have been entitled if you were the registered owner of the Investments.

- (g) Unless the Permitted Investment concerned can be registered as a fraction of a share or a Unit, then any Permitted Investment you receive as a result of a take-over, conversion or other offer will be rounded down to the nearest whole Unit as set out in Section 7.14.6 of these General Terms.

7.14.3 Class actions

- (a) If, in relation to any of your Investments, we become aware of any proposed class action or group litigation:
 - (i) we will not participate in that action or litigation;
 - (ii) we will not be responsible for taking any action in relation to these matters; and
 - (iii) we will not have to tell you about or obtain your instructions in relation to these matters.

7.14.4 Shareholder enfranchisement

Some companies that you have invested in may ask us to send you information at their cost to allow you to vote. If they do so, we will ask you to give us your voting instructions by the deadline we set. We will then exercise the votes attaching to all Investments in that company held by the Nominee on behalf of Alliance Trust Savings customers on an actual or scaled up basis depending on our agreement with the company, for example, if they have requested us to scale up, if 8 people vote yes and 2 vote no, we will vote 80% of all of the shares held by the Nominee on behalf of Alliance Trust Savings customers in favour of the resolution and the remaining 20% against the resolution. If you do not want the votes attaching to your Investments to be used in this way you can tell us in writing and we will exclude them from the votes which we cast.

7.14.5 Ancillary benefits

We will not accept and we will not be able to benefit from, any ancillary rights that may be available to direct shareholders in Investments (for example, commercial discounts) and we will not become involved in any shareholder interest groups.

7.14.6 Fractional Entitlements

- (a) Where our Nominee holds your Investments, the Nominee will usually receive one allocation of shares or Units for all of the clients in our Nominee who participate in an open offer, new issue, bonus, entitlement, rights issue or similar Corporate Action. The Nominee may also receive a small cash payment from the relevant company's registrars in respect of any fractional entitlement.
- (b) The shares or Units received by the Nominee will be allocated by us as follows: where the shares or Units can only be transferred or registered in a whole number of shares or Units, then we will allocate to your Account such number of shares or Units rounded down to the nearest whole number that we calculate are due to you, using the relevant company's basis of allocation.
- (c) Any shares or Units remaining after we have made these allocations will be aggregated and sold. The resulting sale proceeds, together with the cash payment (if any) referred to in Section 7.14.6(a) of these General Terms will be distributed in proportion to the holdings amongst the relevant clients using the relevant company's basis of allocation. Any remaining cash balance will be paid to a registered charity of our choice each year, However, we reserve the right to deal with the sales proceeds and the cash payment (if any) as follows:
 - (i) where your share of the proceeds of sale is £5 or above this will be credited to your Account; and

- (ii) amounts below £5 will be paid out to a registered charity of our choice.

7.15 When we will value your Assets

7.15.1 We will value your Assets:

- (a) for regular reporting purposes;
- (b) if you ask us to do so (an additional fee will be charged for this as set out in our Charges Guide); or
- (c) when we are told about your death with effect from your date of death; or
- (d) in line with HMRC guidance where a Benefit Crystallisation Event occurs.

7.15.2 We will value Investments at their current market value as quoted on the relevant Execution Venue unless we tell you otherwise in writing. In the case of Units, the value will be set by the latest price published by the relevant Fund Provider. For other Investments which are not listed on an Execution Venue, the value will be based on a quotation or valuation provided by any appropriate person, firm, or corporation that we reasonably select. The value that you will see online is illustrative only and does not reflect what you may get if you decide to sell all of your Investments.

7.15.3 The value of the Investments that you hold in your Account and which you can see online will be the current price during periods when markets are open, delayed by at least 15 minutes, unless the Investments are Units. If you are viewing your valuation after trading hours, it will be based on the latest close of business prices. For Funds the Units are priced at close of business on the previous Business Day.

8. How we hold Assets

8.1 Cash

8.1.1 We are authorised by the Prudential Regulation Authority to take cash deposits. We will hold your Cash as your banker and not as your trustee or agent, and the FCA Rules on client money will not apply. If we enter into administration or become insolvent, your money will not be subject to the FCA Rules on client money, so you will not be entitled to share in any distribution under these FCA Rules. However, your deposits may be covered by the Financial Services Compensation Scheme (FSCS). Further details about your rights under the FSCS are provided in Section B – Useful Information.

8.1.2 For current details of the way in which we will treat interest and for information on interest payable, please read our interest rate table on the Website. If any interest becomes payable it will be calculated daily on cash held in the deposit account and allocated to your Account in April and October in line with the interest rates table found on our Website.

8.2 Investments

8.2.1 Investments that we hold on your behalf will be held in accordance with the FCA Rules relating to client assets.

8.2.2 Investments may be held in one or more of the following ways:

- (a) we can act as your custodian. We will arrange for our Nominee to hold your Investments, or in certain circumstances for overseas Investments we will deposit them with a third party custodian which may in turn hold them through its sub-custodians. The arrangements for holding and registering your Investments may vary depending on the type of Investments and the country of origin; or

- (b) in your name or a name nominated by you in certificated form, where certificates are issued.

Our standard business practice is to hold Investments on your behalf in accordance with either (a) or (b) above, however where this is not possible, your Investments will be registered in the name of a third party or, if this is not possible, our name but only if:

- (a) the Investments are subject to the law or market practice of a jurisdiction outside of the United Kingdom; or
- (b) we consider this to be in your best interests, or
- (c) it is not feasible to do otherwise, because of the nature of the applicable law or market practice.

Registration in the name of an alternative nominee, third party or us may mean you lose incentives and shareholder benefits attached to the Investments. The alternative nominee or third party may be located in or outside the jurisdiction in which we provide services to you.

You consent to your Investments being registered in our name in the circumstances described above.

8.2.3 We have the right at any time to appoint an alternative nominee and/ or custodian for your Investments. Where your Investments are held by an alternative nominee or sub-custodian, we cannot ensure that you would not lose any Investments if the entity enters administration, liquidation or a similar procedure. In order to show that the Investments are not available to the entity's creditors, we will take reasonable steps to ensure that their records show that the Investments are held for you and that they do not belong to us or the alternative nominee or sub-custodian.

8.2.4 We may transfer your Investments between any of our Nominee companies without cost to you and without your consent. For example, we may transfer Investments between any of our Nominee companies if this is necessary to effect settlement of any trades or to allow us to administer effectively the deduction of any withholding tax that might be payable. If you wish to transfer Investments out of our Nominee companies, we will make a charge on the basis and at the time described in our Charges Guide.

8.2.5 Share certificates or other documents evidencing title to Investments will be held by us or by our Nominee.

8.2.6 Our Nominee will be the legal owner of the Investments in your Account and your Investments will be held in the name of, or to the order of, our Nominee. However, they will be held for your benefit and the Nominee will have a duty to deal with them on your behalf subject to these Terms. Subject to Regulatory Requirements, you authorise us to direct and instruct our Nominee to discharge our responsibilities under these Terms. Our Nominee is not an authorised person under the FSMA. Our Nominee can only hold investments and does not carry out business on its own behalf.

8.2.7 Your Investments may be held with those of other clients of ours or our sub-custodians in one account, subject to Regulatory Requirements. In this case:

- (a) we will maintain records of your interests in the Investments which have been pooled;
- (b) your right to specific Investments may not be identifiable; and
- (c) **if there is a default by us or our sub-custodians resulting in a shortfall, you might not receive your full entitlement. You might have to share in the shortfall in proportion to the value of the Investments which we or the sub-custodian hold for you with other clients. This explanation does not limit your rights**

against us (under Regulatory requirements or as set out in our Agreement with you) in any way.

8.2.8 On occasion Investments held may be used to settle trades of another client, which may result in a temporary shortfall. If this happens, we will ensure that any shortfall identified is resolved as soon as possible and, where required, appropriate a sufficient number of our own applicable Investments to cover the value of the identified shortfall until resolved.

8.2.9 Where you wish to invest outside the UK we may hold your money with a bank or another organisation, such as an exchange, clearing house or an intermediate broker for the purpose of executing your Order located in a jurisdiction outside the UK. Where your Investments are held in overseas jurisdictions, it may not be possible under national law to separately identify them from the custodian's own investments. **This increases your risk.** Where it is necessary for your Investments to be held outside the European Economic Area, the law in the jurisdiction in which they are held may mean that your rights in respect of those Investments may be different. In particular if the overseas entity becomes insolvent your money may be treated differently from the position which would apply if the money was held in a client bank account in the UK and it may therefore be less secure and the FSCS would not apply.

8.2.10 The extent to which we will be liable for any loss that you suffer as a result of any default is set out in Section 12 of these General Terms.

8.2.11 You are responsible for monitoring the level of your shareholdings and making the relevant disclosures when your shareholding in any company reaches/exceeds/falls below certain threshold levels in accordance with the current legislation. This applies to all your Investments whether held through our Nominee or otherwise. If we notify you that we believe you should make a disclosure in respect of your Investments in our Nominee this does not mean that we accept any responsibility to you to monitor your holdings.

8.2.12 The disaggregation of bulked Orders may sometimes result in penny rounding differences which cannot be allocated at an individual client level. Where this occurs we will pay the roundings to our chosen charity each year. Some Fund Providers may only accept trades to the nearest Unit. This may result in residual cash balances being placed in your Account.

8.2.13 We will not lend your Investments to any third party, nor will we use them as security for any borrowing.

8.3 Certificated Investments

8.3.1 In relation to certificated Investments set out in Section 7.2 of these General Terms, if you do not want these to be held by our Nominee, you may ask to hold them in certificated form in your name. Please note that additional costs and Charges may apply as set out in our certificated service guide.

8.3.2 Where you hold certificated Investments in your name and later decide that you would rather use our third party custodian or Nominee, please contact us to request this service. You should be aware that the sections of these General Terms which relate to the services of our Nominee will apply from the date that we begin to offer you this service.

8.3.3 Where we agree to hold certificated Investments in your name in accordance with Section 8.3.2 of these General Terms, the Investments will continue to be registered in your name at your address.

8.3.4 As the legal owner of Investments held in certificated form, you will receive notification of matters affecting your holdings direct from companies through their registrars. You will be responsible for

obtaining advice on and deciding on any rights attached to your Investments and for taking any necessary action, even where we provide a safe custody service for the certificate(s).

8.3.5 We do not accept associated mail on your behalf where we hold safe custody of your share certificates.

8.3.6 We may cease to provide you with safe custody of your certificate(s) if you fail to pay any amount due to us on demand for our Services and we will return any certificate(s) to you (at your last address notified to us as set out in Section 7.2.7 of these General Terms) by registered post.

9. Withdrawing assets from your Account

You may withdraw Assets from your Investment Dealing Account or ISA as set out in these General Terms. You may not withdraw Assets from your Junior ISA or SIPP Accounts unless the Specific Terms relating to that Account permit you to do so.

9.1 Income withdrawal

9.1.1 You can make regular Cash withdrawals of some or all of your Investment income by confirming a fixed amount to be transferred into your Bank Account on a monthly, quarterly, half-yearly or annual basis. Payments will be made on the 12th of each month or on the next Business Day.

9.1.2 Our Charges Guide details the fees that we may apply to withdrawals of Assets, any minimum limit for withdrawals that we may impose from time to time will be set out in the relevant instruction form.

9.1.3 If you wish to make regular Cash withdrawals from your Account you must make sure that there is enough Cash in your Account by the 5th day of each month.

9.1.4 We will not make any payments out of your Account if there is not enough Cash to make the full payment or to cover any sums due to us or any other Charges you are liable to pay.

9.2 One off withdrawals

9.2.1 You may ask us to transfer all or part of any Cash that you hold in your Account to your Bank Account. Withdrawals may be subject to a Charge as set out in our Charges Guide. Any Charge due will be deducted from the payment to be made. If you are selling Investments to fund the withdrawal, any Charge due will be deducted from the settlement proceeds from the sale of your Investments before we transfer the settlement proceeds to you.

9.2.2 Withdrawals will only be paid to Account holders and may be subject to further identity verification checks.

9.2.3 Withdrawals will be paid to you by BACS or CHAPS. If you request a CHAPS payment we may apply a Charge in accordance with our Charges Guide. You may also ask us to pay you by cheque.

9.2.4 If you are Joint Holders, any payments will be sent by cheque in the name of, and sent to, the Joint Holder whom the Joint Holders have nominated to receive the payment, or by BACS or CHAPS to the Bank Account.

9.3 Transferring investments out of your Account

9.3.1 You may:

- (a) transfer Investments into another Account (subject to the terms of that Account) that you hold with us;
- (b) ask us to provide you with a share certificate in your name; or
- (c) transfer out to another provider.

9.3.2 If you transfer out an Account in full, we will not accept any further Orders in relation to that Account and will stop processing any regular investment Orders.

10. Closing accounts

10.1 Closure by you

You may tell us that you want to close your Account. You can do this at any time by giving us prior notice in writing (signed by all Account holders, Registered Contacts or Authorised Persons if there is more than one). Our Agreement with you will end once we have processed all outstanding Orders and payments due on your Account and we have transferred any Assets remaining in your Account to you.

10.2 Suspension or closure by us

10.2.1 We may close your Account at any time by giving you 30 days' prior notice in writing.

10.2.2 We may suspend or close your Account and end our Agreement with you immediately by giving you written notice if:

- (a) you are declared insolvent or made bankrupt (this is called sequestration in Scotland);
- (b) the law requires us to do so or we are unable to meet our obligations;
- (c) for a period of more than 6 months there are no Assets in your Account;
- (d) for a period of more than 6 years there has been no movement in your Account, excluding any payments on account of Charges, interest or similar items. Details of how we deal with unclaimed Investments is set out in Section 10.6 of these General Terms;
- (e) we are not provided with satisfactory evidence of your identity and so cannot complete our anti-money laundering checks;
- (f) it becomes apparent that there is a dispute between Joint Holders, trustees, Registered Contacts or Authorised Persons on an Account;
- (g) you do not comply with these Terms or any Scheme Rules (as they apply to you) in a material way;
- (h) there is any concern as to who owns the Assets in your Account;
- (i) you do not pay sums due to us;
- (j) you behave towards us in a way that we consider abusive or unreasonable;
- (k) after making reasonable efforts to do so we cannot contact you using the details that you have given us;
- (l) you are using your Account for an illegal purpose;
- (m) you are using your Account for market timing or similar activity;
- (n) you are using your Account to provide business services to another person; and/or
- (o) you give us, or we become aware that you have given us, false or inaccurate information, but for which, we would not have opened an Account for you, or because of which we are no longer able to perform the Services.

10.2.3 Where you are Joint Holder or one of a number of trustees we may suspend or close your Account if any of the circumstances set out in Section 10.2.2 of these General Terms apply to any one of you.

10.2.4 Where the circumstances in Section 10.2.2 relate to the conduct of your Account or communications with us, we may suspend

or close your Account if any of these circumstances apply to anyone authorised to communicate with us on your behalf.

10.3 Effect of closure

10.3.1 When notice of closure has been served:

- (a) we will continue to execute any current instructions that you or your Registered Contact or Authorised Person has given us, but we will no longer accept new instructions; and
- (b) you must settle all Charges and sums due in respect of any unsettled transactions that are due to us or as a result of the closure of the Account.

10.3.2 Once all outstanding transactions have been settled we will:

- (a) deduct from the Account balance any sums that are due to us from you including any sums that you owe us in relation to any other accounts that you hold with us (we may sell any investments within your Account to meet any Charges due to us if there is not enough Cash in your Account); and
- (b) we will then forward any Assets in the Account to your Bank Account or such other external account or accounts in your name, as you direct (unless we are prevented from doing so by any Regulatory Requirements).

10.3.3 We will have no further liability to you once any Assets remaining in your Account have been transferred to you.

10.3.4 Closure of your Account will not affect any legal rights or obligations that have already arisen.

10.3.5 If our Services are stopped or suspended, we can sell your Investments and hold the proceeds in your Account until you give us instructions to transfer out or withdraw the Assets in your Account.

10.4 Incapacity and Power of Attorney

10.4.1 In the event of your legal incapacity, our relationship will terminate automatically upon our receipt of written notice unless you have granted a power of attorney under which we can continue to act. We reserve the right to require proof or further details of your legal incapacity.

10.4.2 Where a power of attorney has been granted over your Account, we will continue to administer the Account in accordance with the attorney's instructions until such time as the power of attorney is revoked, or until the time of your death.

10.5 Payments or transfers on death

10.5.1 Your Personal Representatives should tell us about your death as soon as possible and let us have any documents that we reasonably request to evidence their authority to deal with your affairs before we will accept instructions from them in relation to your Account.

10.5.2 Once we receive a copy of your death certificate, no further Charges will accrue to your Account apart from any trading costs incurred when we close your Account.

10.5.3 These Terms will continue to bind your personal representatives until your Account is closed.

10.5.4 If there are Joint Holders then upon the death of one Joint Holder the portfolio will be treated as owned in equal proportions by each of the Joint Holders regardless of the source of any payments into the Account. This means that the part of the portfolio attributable to the deceased Joint Holder will form part of their estate and we will follow the instructions of the deceased Joint Holder's personal representatives

in relation to that part of the portfolio. We will follow the instructions of the surviving Joint Holder(s) in respect of the remainder of the portfolio in accordance with the provisions of Section 4.3.

10.5.5 If you are a trustee on an Account we will take our instructions from any remaining trustees.

10.6 Unclaimed Investments

In certain limited circumstances unclaimed Investments may be realised and transferred to charity.

Subject to Applicable Law, and where consistent with the arrangements under which the Investments are held in your account, we may cease to treat unclaimed Investments held on your behalf as client assets, and (i) liquidate the Investments at market value and pay away the proceeds; or (ii) directly transfer away the Investments, in either case to a registered charity of our choice. We may only do this if:

- (a) we have held your Investments for at least 12 years and we have received no instructions in relation to any Investments that we hold for you for at least 12 years immediately preceding the Investments being paid away to the registered charity;
- (b) we can demonstrate that we have taken reasonable steps to trace you and return the Investments to you; and
- (c) prior to divesting ourselves of the Investments, we can demonstrate that we have allowed a sufficient period to elapse, as prescribed under FCA Rules, following the most recent communication to you in relation to your Investments.

We will maintain records of dealings with unclaimed Investments which are paid away.

If you or your Personal Representatives contact us after we have paid away Investments, on the provision that a valid claim is confirmed by us, we will return an amount equal to the value of your Investments at the time they were liquidated or paid away.

11. Withdrawal or suspension of our service

11.1 We will only withdraw or suspend our Services and consequently close or suspend your Account if we have a valid reason. We consider the following to be valid reasons:

- 11.1.1** a restructure or reorganisation of the types of account that we offer;
- 11.1.2** the withdrawal of a Service or an Account type;
- 11.1.3** for our business efficiency; or
- 11.1.4** the law has changed and the Account no longer complies with the Regulatory Requirements.

11.2 Where we can, we will give you 30 days notice of our intention to close or suspend your Account in these circumstances. When we give you notice, we will tell you of any requirements specific to your Account, that need to be considered when withdrawing your Assets or transferring your Assets to another provider. When Regulatory Requirements mean that we need to act immediately, we will give you notice as soon as we reasonably can after closure or suspension.

11.3 If you undertake inappropriate trading such as trading which constitutes market timing and despite having received two written warnings from us to cease this activity, you continue to undertake inappropriate trading you will no longer be permitted to place Orders online. In these circumstances we may, immediately on giving notice to you, to require you to place your Orders by telephone and we may refuse to place any Orders that we reasonably believe to be contrary to good market practice.

12. Liability

12.1 Under these Terms we will only be liable to you, the Account holder. We will not be liable under these Terms to any third party whom you have authorised to operate your Account.

12.2 We are not responsible for any losses you suffer in relation to the Services that we provide, unless:

12.2.1 these losses arise because we, our Nominee or our agents:

- (a) are negligent or fraudulent; or
- (b) knowingly or recklessly fail to comply with the Regulatory Requirements or these Terms, or otherwise materially breach the FCA Rules or these Terms;

12.2.2 any of your Assets held by our Nominee are not adequately protected;

12.2.3 we have failed to exercise due skill, care and diligence in selecting or retaining a bank, settlement agent or custodian.

12.3 Unless the circumstances in Section 12.1 of these General Terms apply:

12.3.1 we are not responsible for the default, insolvency or other failure by a third party bank or settlement agent, clearing agent, depository, clearing or settlement system or any participant in one of them, or any Fund Provider or Fund Provider's agent with whom any Order that you give us is placed; and

12.3.2 where we have acted in good faith but have not correctly executed any instructions that you have given us in accordance with these Terms we will restore your Account to the condition it would have been in had the incorrect transaction not taken place. Once we have done so, we will have no further liability to you.

12.4 We will not be responsible in any circumstances for any loss that you suffer because:

- 12.4.1** the value of your Assets goes down;
- 12.4.2** of circumstances outside our reasonable control, including but not limited to, delays in executing your Orders, changes in market conditions (including price fluctuations) before your Order is executed and any change in the law;
- 12.4.3** if we are unable to execute any instruction because of a breakdown in communication between us and an Execution Venue;
- 12.4.4** it arises from circumstances that we could not have reasonably anticipated when you gave us your instructions;
- 12.4.5** of any delay which occurs whilst we verify your identity (or the identity of anyone acting on your behalf) or your instructions;
- 12.4.6** we have, in good faith, acted on instructions that appear to be valid and given in accordance with our stated procedures;
- 12.4.7** our systems are unavailable (unless this arises as a result of our negligence);
- 12.4.8** you have provided us with inaccurate or ambiguous information;
- 12.4.9** you are unable to communicate with us partially or at all, using the internet;
- 12.4.10** of any machine or software malfunction;
- 12.4.11** of any error in data transmission; or
- 12.4.12** of your operating error.

12.5 If we cannot perform our obligations by reason of any circumstances beyond our reasonable control, we will take such steps as are reasonable and practicable in the circumstances with a view to minimising the effect of the event on our clients.

12.6 We will not be liable to you for loss of business, contracts, profits, anticipated profits or anticipated savings however caused.

12.7 We do not exclude or restrict liability in any circumstances where liability cannot lawfully be excluded or restricted.

12.8 You will be liable:

12.8.1 for any Charges reasonably and properly incurred under our Agreement or as a consequence of your breach of our Agreement;

12.8.2 for the results of any error on your part or on the part of any other person even though we may, in our discretion, try to remedy the error; and

12.8.3 for the results of any instruction being unclear or ambiguous.

12.9 You do not have any liability to us for claims, demands, liabilities, losses, expenses or costs (including costs of any third party) that we bear as a result of a breach of our obligations to you (including breach of FCA Rules) or of our negligence, wilful default or fraud.

13. Our rights if you do not comply with our agreement (including our right to sell your investments)

13.1 If you do not pay money due to us, or provide us with a valid share certificate and stock transfer form prior to settlement of a transaction, you will be in breach of our Agreement and we may keep any Assets that we are holding for you (other than trust property or property which is burdened with other debts) as security against payment of a debt owed by you and to apply it to the repayment of that debt when due.

13.2 We may charge you interest on any money that you owe us at a rate of 2% above the prevailing Bank of England variable base rate, calculated on a daily basis from the date the money becomes due until full payment has been received by us.

13.3 If you do not pay money due to us we may combine all or any credit balances on any Accounts that you hold with us, and may use the credit balances to reduce any sums you owe to us (this is called a right of set-off).

13.4 If you do not have enough Cash in your Accounts to pay the sums due to us and do not pay any balance due to us when we ask you, we may keep your Assets or sell some or all of your Investments to settle the sums due at our discretion.

13.5 If we choose to sell your Investments in these circumstances we will sell Investments in accordance with Section 2.1.10 of these General Terms.

13.6 The net proceeds of any sale, after deduction of our Charges, will be used to reduce your liabilities. You may keep any money that is left after that.

13.7 If the proceeds of sale are not enough to cover the amount you owe us, you are still liable for the shortfall and must pay this to us immediately.

14. How and when we will vary our terms and charges

14.1 We may vary these Terms and our Charges at any time if we have a valid reason to do so. We consider the following to be valid reasons:

14.1.1 to respond proportionately to changes in Regulatory Requirements;

14.1.2 to comply with any decision or recommendation of a legal body or legal decision;

14.1.3 to reflect good industry practice or changes in the operation of the markets;

14.1.4 as a result of changes to our systems and processes and the way our business operates, or any changes to or affecting any third parties with whom we engage whilst providing the Services;

14.1.5 to remedy obvious errors; or

14.1.6 to proportionately reflect legitimate cost increases in, or restructures of, the Services we provide.

14.2 If we vary these Terms to your disadvantage, or vary our Charges for a reason that is not specified in our Agreement with you, we will give you 30 days' prior notice in writing, except as set out in Section 14.4 of these General Terms.

14.3 Whenever we give you notice of a material amendment that is to your disadvantage, you will be able to close your Account during the notice period specified in accordance with your current Terms. If you do not do this, you will be deemed to have accepted the change.

14.4 In the case of changes that we have to make for the purposes of complying with Regulatory Requirements, we may vary these Terms with immediate effect.

14.5 The amended Terms will apply from the effective date of any variation that we tell you.

15. Transferring or delegating our rights under the agreement

15.1 We may delegate the performance of our obligations under our Agreement with you to a third party. Before doing so we will take reasonable care to make sure that the third party will competently perform the obligations delegated, we will monitor the performance of the third party's activities and will remain primarily responsible for the obligations delegated.

We may also transfer all or part of our rights and obligations under our Agreement with you to a third party (a "Transferee Firm"). We do not need your consent to do this, but will only do so if we receive undertakings from that third party that you will be no less favourably treated than before the transfer was effected.

16. Transferring your rights and obligations under the agreement

You may not assign or otherwise transfer any of your rights or obligations under the agreement to anyone else unless we have given you our prior written consent.

17. Legal/Tax matters

17.1 We will not provide you with legal or tax advice and recommend that you obtain your own independent advice.

17.2 Taxes and duties may be imposed by the government or other bodies on Services that we provide to you. We will tell you whether these taxes and duties will be included in our Charges, or are detailed separately. You may have to pay them even if your Account is designed to take advantage of other relief or exemptions.

17.3 If we have to pay any tax liability that you incur on your behalf, we may recover these costs from you.

17.4 You will be liable for all other taxes that are personal to you in respect of your Account, Assets and transactions through your Account. Your tax liability depends on your personal circumstances and may be subject to change in the future.

17.5 We will stop acting on your instructions until applicable taxes and duties along with any applicable third party charges are paid by you.

17.6 We have obligations under the European Union tax rules which require us to provide certain information about you as the beneficial owners of your Investments or levy the appropriate rate of withholding tax to UK and other member states' authorities.

17.7 We are obliged under UK legislation, agreements and tax treaties with worldwide jurisdictions to provide information on clients and withhold tax. We will endeavour to collect income on your behalf under the appropriate rate of withholding tax, provided that we have the appropriate documentation from you.

18. Severability

If any Term of our Agreement with you (or any part of a Term) is or becomes invalid, unenforceable or contrary to any applicable law, it will be given no effect and treated as if it were not included in our Agreement with you but the remaining Terms will remain valid and enforceable.

19. Third party rights

Our Agreement is with you. No third party will be entitled to derive any right or benefit from our Agreement with you or have any right to enforce any of its Terms.

Specific terms for SIPP Accounts

If you have a SIPP Account these Terms will apply in addition to our General Terms. Where the General Terms are different from these Specific Terms, the Specific Terms will apply.

1. The Scheme

1.1 SIPP Accounts opened with us are part of the Scheme. The Scheme is a registered pension scheme which provides pension and death benefits for members and their dependants. The Scheme was set up by us under a trust deed dated 9 June 1997 (as amended). We act as Scheme Administrator and as Trustee of the Scheme.

1.2 When we open a SIPP Account for you, you will become a member of the Scheme. The Scheme is governed by the Scheme Rules. From time to time we may make changes to the Scheme Rules or vary the Scheme structure. These Terms are the contractual terms referred to in the Scheme Rules. A current copy of the Scheme Rules is available on request or may be downloaded from our Website.

2. Opening a SIPP Account

2.1 You may not open a SIPP Account jointly with anyone else.

2.2 If you are a parent or guardian you can open a SIPP Account on behalf of your Child.

3. Contributions and transfers into your SIPP Account

3.1 The SIPP Key Facts set out how you may make contributions and transfer payments into your SIPP Account.

3.2 We may decline to accept any contribution (from you or your employer), or transfer into your SIPP Account entirely at our discretion (we will do so if, for example, if it does not comply with the requirements of the Scheme Rules or the Finance Act or is not a Permitted Investment). Transfers of more than £30,000 from schemes regarded as defined benefit (also referred to as final salary or career average schemes) will only be accepted when the transfer has been recommended by a financial adviser that has the required permissions to advise on these transfers. We do not accept transfers of public sector defined benefit schemes under any circumstances.

3.3 We will not accept Contributions into your SIPP Account if you are no longer eligible to make contributions to the Scheme.

3.4 We will only accept transfers from registered pension schemes or Qualifying Recognised Overseas Pension Schemes.

3.5 We will only accept a transfer from another pension arrangement that has been used for Income Withdrawal if it does not prejudice the Scheme's status as a registered pension scheme.

3.6 We may, without your authority, refund a transfer (in whole or part) made in error to your SIPP Account.

4. Income and dividends

Income generated by your SIPP Investments must be kept in your SIPP Account. You can normally only withdraw money from your SIPP Account when you meet the Normal Minimum Pension age.

5. Transfers out of your SIPP Account

You may transfer the value of your SIPP Account to another registered pension scheme or Qualifying Recognised Overseas Pension Scheme.

6. Tax relief

6.1 When you make a personal Contribution to your SIPP Account you may be entitled to tax relief on that contribution in accordance with the Finance Act.

6.2 If you provide us with the necessary information, we will make a claim for tax relief at the basic rate of income tax on your behalf. If you are a higher rate tax payer, you will be responsible for reclaiming any higher rate tax relief on your Contributions.

6.3 You are responsible for making sure that all Contributions are within allowable limits for tax relief. We will only refund a pension Contribution at our discretion and if HMRC rules permit.

6.4 We will not make a claim for tax relief on your behalf if your employer operates a salary sacrifice (sometimes known as "salary exchange") arrangement in respect of Contributions to your SIPP Account.

7. Benefits from your SIPP Account

7.1 You may take benefits from your SIPP Account in accordance with the Scheme Rules and the SIPP Key Facts.

7.2 To provide benefits from your SIPP Account, we will sell Investments in accordance with the instructions that you give us in order to provide benefits from your SIPP Account. If there is not enough Cash available to make a scheduled income payment we will sell your Investments to fund the payment as set out in Section 2.1.10 of the General Terms.

7.3 If you ask us to, we will arrange for the purchase of an annuity from an annuity provider.

8. Income withdrawal

8.1 You may instruct us to start Income Withdrawal from your SIPP Account subject to the Scheme Rules. When you give us your instructions you must tell us when (subject to the Scheme Rules) you wish Income Withdrawal to start and the amount of the Cash sum to be paid to you. You must give us instructions about which Investments you wish to sell to fund that Income Withdrawal. If you do not tell us which Investments you wish us to sell, we will apply our disinvestment policy as set out in Section 2.1.10 of the General Terms.

8.2 When Income Withdrawal is requested, we will:

8.2.1 value the funds you have told us you wish to use for Income Withdrawal as per HMRC regulations;

8.2.2 deduct applicable Charges;

8.2.3 pay the Cash sum to you (if applicable) on the 20th of the month in accordance with your instructions but subject to the provisions of the Scheme Rules and the provisions of the Finance Act and the Taxation of Pensions Act; and

8.2.4 tell you of the maximum amount (if relevant) which can be taken as Income Withdrawal.

8.3 We will value the funds you have set aside for Income Withdrawal as and when required by the Scheme Rules, the Finance Act and the Taxation of Pensions Act and advise you of the maximum amount of income which can be taken.

9. Lifetime allowance charge

If any Benefit Crystallisation Event would give rise to the payment of a lifetime allowance charge (as defined in the Finance Act), we may pay

the whole or part of the relevant benefit entitlement by reference to which the lifetime allowance charge would arise as a lifetime allowance lump sum (as defined in the Finance Act). For more information about the Lifetime Allowance please read the SIPP Key Facts.

10. Reporting

We will send you an illustration every year of what you may receive when you take your pension benefits. If you have received income from your SIPP Account, in a tax year, we will send to you an annual illustration which shows you the likely effect of future withdrawals.

11. Payment of death benefits

11.1 When you open your SIPP Account and at any time whilst your SIPP Account is open, you may give us directions about what you would like us to do with your SIPP Account on your death. What we actually do will be at our discretion, but normally this is in line with your original directions.

11.2 We will value Investments in SIPP Accounts in the case of death using a quarter up valuation.

11.3 If you have not given us directions that we are to take into account on your death, we will make decisions on the payment of death benefits from your SIPP Account which we consider to be appropriate to the circumstances that are made known to us and that are permitted by the Scheme Rules, the Finance Act and the Taxation of Pensions Act.

11.4 If you bought an annuity before your death, the terms of that annuity will determine what will happen on your death.

11.5 We will implement any instructions you have given us to provide pension benefits to any person nominated by you in respect of unvested assets in your SIPP Account on your death.

11.6 If we have received no instruction from you, we will take into account any expression of wish we have received from you, and the facts made known to us, before paying death benefits to one or more persons in accordance with the Scheme Rules and the Finance Act.

11.7 Subject to the Scheme Rules and the payment of our Charges, we may accept instructions from your Personal Representatives, or any person entitled to benefit from your SIPP Account after your death, to defer buying an annuity or paying other death benefits, or starting Income Withdrawal.

12. Closure of your SIPP account

12.1 A SIPP Account cannot be closed other than by:

12.1.1 a transfer to another registered pension scheme or Qualifying Overseas Registered Pension Scheme;

12.1.2 exercise of your cancellation rights, on the first instance of Income Withdrawal;

12.1.3 your death;

12.1.4 your Account having a zero value as you have withdrawn all money available through Income Withdrawal; or

12.1.5 your Account having no value, and we contact you prior to closure to make you aware.

13. Dormant SIPP Accounts

If your SIPP Account becomes dormant we will treat it as a paid-up Account which will be held by us until we receive further instructions from you or your Personal Representatives.

14. Child SIPP Account

At the age of 18, the Child will become the legal owner of the Child SIPP Account. From the next charge date, the Charges applicable to the standard (adult) SIPP Account will apply.

Compensation

Your Accounts are covered by the Financial Services Compensation Scheme (FSCS). Under the FSCS you may, in certain circumstances, be entitled to receive compensation if we are unable to meet our or their obligations to retail clients, for example, if we cease trading or become insolvent. The FSCS was set up mainly to assist private individuals although smaller businesses and smaller charities are also covered.

The amount of compensation that you may be entitled to receive under the FSCS depends on the type of business being carried out and the circumstances of the claim. Most types of investment business are covered, as at the date of our Terms, up to £50,000 for any one claimant. Cash that we hold as banker is protected up to £75,000 for each deposit taker. These limits may change from time to time. Please note that compensation limits apply to your total holdings with an organisation in relation to each category of claim and therefore each limit includes all the investments or all the cash that you hold across your accounts with one organisation.

Please note that the FSCS does not protect against market volatility. In addition, compensation arrangements in overseas jurisdictions may differ to those in the UK.

For full details, please refer to the 'Compensation Statement' on our website.

Further information on the FSCS is available on their website: www.fscs.org.uk

Risk Warnings

General Risks of Investing

We provide our Accounts for investment purposes. As we provide an execution only service, we do not provide any financial advice or make recommendations which means that any decision is made by you or on the advice of a financial adviser which you have appointed. If you are in any doubt you should consult a professional financial adviser.

All investments carry an element of risk. There are general risks that apply to all investments and some which are specific to an individual fund or type of investment. Listed below is important information about the risks of investing, please note that this is not an exhaustive list of all the risks associated with any particular investment. You should read the relevant Key Facts Document (where applicable) and the Charges Guide for the specific Account and the Key Investor Information Document (KIID) or Prospectus for any fund you wish to invest in as these will contain important information that could influence your decision. These documents are available on our website.

The value of investments and any income from them can go down as well as up. You may get back less than the amount you originally invested.

Laws and tax rules may change in the future without notice. This information takes no account of your personal circumstances which may have an impact on tax treatment.

Past performance is not a guide to future performance. Future Returns are not guaranteed. What you receive when you sell your investments is not guaranteed, it depends on how your investment performs and the charges applied.

Foreign markets involve different risks from the UK market. Investments in emerging markets or less developed countries may have less regulatory control and less supervision of their financial markets, and consequently less investor protection. Transaction costs, commissions and local taxes may be higher than in more developed financial markets. This may all mean your money is at greater risk. Investments which are denominated in a currency other than Sterling may be affected by movements in exchange rates. Consequently the value of an investment may rise or fall in line with exchange rates.

Investments may be adversely affected by changes in interest rates and expectations of inflation. They may be subject to credit, liquidity and duration risks. Adverse changes in the financial position of an issuer to repay their debt or have their credit rating reduced. Generally, the higher perceived credit risk of the issuer, the higher the rate of interest.

Illiquid securities can take a lot longer to sell than other types of investment so you may not be able to sell when you want to. Illiquid securities, like equities, can rise or fall sharply at any time.

Funds may invest in Derivatives. Derivatives are used to protect against currencies, credit and interest rate movements or for investment purposes. There is therefore a risk that losses could be made on derivative positions or that the counterparties could fail to complete on transactions.

Order Handling Policy

We are committed to treating customers fairly. This policy explains how we arrange for the execution of clients' instructions to buy or sell investments available through our Accounts ("Orders"). When we arrange the execution of an Order on your behalf, we will take all reasonable steps to obtain the best possible results for you in accordance with the following policy. This will be subject to any specific instructions that you give us and you should be aware that such instructions may prevent us from obtaining the best possible result.

Our Order Handling Policy is applicable to you where you have given us an order for:

- Funds (OEICs & Unit Trusts)
- Investment Trusts
- Exchange Traded Funds (ETFs)
- Equities
- Gilts or Corporate Bonds

We always want to get the best results when completing an Order instruction for you. To do this, we rely on three core components:

- Technology for routing to execution venues, executing, settling and monitoring orders
- Protecting the integrity of your Order
- Selection of an execution venue which in our view will provide the appropriate best execution taking into account the execution factors at the time.

Our Approach to Order Handling

Regardless of the type of Account you have with us, when we arrange the execution of an Order on your behalf, we will balance a number of factors to determine how to place your Order. The execution factors in terms of relative general importance are as follows:

- Price – We understand that this is probably the most important element to you
- Speed
- Certainty of execution and settlement – i.e. the likelihood that an Order will complete
- Size of your deal
- Costs
- Any other relevant considerations

The key execution factor with regards to our electronic routing systems is price. For other trading, we consider the relative importance of each execution factor at the time your Order is to be completed against the circumstances relevant at the time.

Order handling

Please note that if we have to pay the London Stock Exchange (or other relevant exchange or third party trading system) or Euroclear UK & Ireland (EUI) an extra charge because of the delayed settlement of your trade caused solely by your failure to deliver documents on time or make funds available, these Charges will be passed on to you.

Types of Order

In the case of shares there are two ways you can give us dealing instructions:

Limit Order – an Order to buy or sell an Investment at a price you specify (the limit) or better and for a specified size.

Market Order – an unpriced Order submitted to an authorised dealer to deal in a specified number of shares.

Type of Investment	Dealing Procedure	Execution Venue
Unit Trusts/OEICs/ unlisted Collective Investment Funds/ SICAVS	Your Order will be routed to the appropriate fund manager within one business day of receipt for execution at the next available Assured Valuation Point (AVP) for that particular fund. Some funds cannot be routed electronically and will be manually placed with the fund manager.	All Orders are placed directly with the fund manager.
Investment Trusts, UK Equities, UK Exchange Traded Funds, Gilts and Corporate Bonds	Orders are passed through our electronic order routing systems. These systems automatically obtain quotes available through the Execution Venue, and then place your Order with the Execution venue offering best price and execution. If the systems cannot do this for any reason, your Order is placed with our dealing desk via the Execution Venue.	We place your orders with market counterparties who are willing and able to respond to the Orders we place for you. The Orders are executed or reported through the London Stock Exchange.
Overseas Equities, Overseas Listed Exchange Traded Funds, Foreign Bonds dealing procedure	Orders are passed through our electronic order routing systems. These systems automatically obtain quotes available through the Execution Venue, and then place your Order with the Execution Venue offering best price and execution. Your Order will be dealt at the overseas market price and converted into sterling by a UK-based market maker, at a rate based on the prevailing interbank exchange rate to which a fee will be added by us in accordance with the charges guide. This fee is to cover the costs incurred in facilitating the overseas share dealing service. If the systems cannot do this for any reason, your Order is placed with our dealing desk through the Execution Venue.	We place your orders with market counterparties who are willing and able to respond to the Orders we place for you.

A list of our current market counterparties is available from us on request.

3rd Party Execution

3rd party investment managers will deal with the Order in accordance with their execution policy.

Your instructions to us

When you ask us to execute an Order on your behalf you instruct us to execute that order consistent with the terms of your Account and the current Order Handling Policy. When you place an Order that requires us to purchase a certain value or amount or within a certain time at a price or any other specific instructions, those specific instructions from you may prevent us from taking the steps indicated in this policy to obtain the best possible result for the execution of those Orders in respect of the elements covered by those instructions. If you ask us to, or we are obliged to complete your Order, you agree and consent to us placing that Order with one of our Execution Venues who may execute your Order outside a regulated market or a multilateral trading facility.

Regular Review of Execution Quality and the Order Handling Policy

We regularly evaluate the overall quality of executed orders and our Order Handling Policy to ensure that it allows us to obtain the best overall outcome for our clients and that our high standards are maintained. We will take appropriate action if a process can be enhanced.

If, as a result of a review we make any changes to our policy, for example by including a new regulated market or removing an existing regulated market, we will notify you of such changes by publishing the revised policy on our website or by writing to you.

Conflicts of interest policy

Alliance Trust Savings is a subsidiary of Alliance Trust PLC, which has set a Policy on the management of Conflicts of Interest which covers all Alliance Trust Group Companies ("Alliance Trust"), with the objective of ensuring that clients are not adversely affected by any conflicts of interest.

This document summarises Alliance Trust's Conflict of Interest Policy, which Alliance Trust Savings follows. Alliance Trust has established a Conflicts of Interest Policy setting out the procedures and controls to effectively identify and manage the conflicts and potential conflicts that may arise during the course of our business.

In addition to its Policy, Alliance Trust has a Conflicts of Interest Register which notes the conflicts of interest that have been identified for Alliance Trust Savings and its other companies and the controls in place to manage those conflicts of interest.

This Policy applies to all employees.

Identification of Conflicts

Alliance Trust Savings has systems and controls in place to identify potential conflicts of interest. Once a conflict has been identified, procedures are implemented to ensure it is appropriately managed through Alliance Trust's Conflict of Interest Register.

Conflicts of interest are of particular concern if they give rise to actual or potential detriment to a client, and by way of example, may include where the company or any employee:

- is likely to make a financial gain, or avoid a financial loss, at the expense of the client;
- has an interest in the outcome of a service provided to the client or of a transaction carried out on behalf of the client, which is distinct from the client's interest in that outcome;
- has a financial or other incentive to favour the interest of another client or group of clients over the interests of the client;
- carries on the same business as the client; or
- receives or will receive from a person other than the client an inducement in relation to a service provided to the client, in the form of monies, goods or services, other than the standard commission or fee for that service.

Managing Conflicts of Interest

Alliance Trust Savings has established procedures which are designed to identify and manage conflicts of interests. The following are examples of conflicts and the arrangements for managing these conflicts (this is not an exhaustive list):

- The corporate governance structure/ organisational arrangements we have implemented provides for the segregation of duties and so prevents conflict arising through preventing and ensuring that no one individual can exercise undue or inappropriate influence over a particular process.
- Segregation of duties and supervision for persons engaged in different business activities including procedures for ensuring appropriate communication between businesses, for example separate dealing desks in Alliance Trust Savings and Alliance Trust plc.
- Personal account dealing restrictions are applicable to all employees and connected persons.
- Limitation and management of personal conflicts of interest which individual colleagues might face, including limits on gifts and hospitality which may be given or accepted.
- Employees are required to notify the company of any outside business interest and external directorships.

Review

All policies and procedures for identification and management of conflicts of interest are subject to, as a minimum, an annual review and any significant issues will be reported to Senior Management and to the Board as necessary. Further detail on our Conflicts of Interest Policy can be provided on request.
