Junior ISA Instruction Form

You can use this form to submit your postal and automatic dealing instructions. You do not need to complete every section of this form. However, you must give us your Junior ISA Account number and signature on each page of this form that you complete.

You can use this form to give instructions for the transaction types listed below by completing the corresponding section as indicated.

If you have a Personal ID and password, you can also provide your investment dealing instructions online at alliancetrustsavings.co.uk or by authenticated telephone call (with your Personal ID and password) by calling your Customer Services Team on **01382 573737**.

Please note that you will incur higher charges for postal dealing than online. Full details can be found in our *Charges Guide* at alliancetrustsavings.co.uk.

You will find information on available investments in the at alliancetrustsavings.co.uk or by calling our Customer Services team on **01382 573737** to request a list of available investments.

Postal dealing

Instructions you send to us by post will be executed on the next business day after we receive them.

Any investment instructions given on this form will be purchased at our offline (postal) dealing rates, with exception of our Inclusive Fee option where this does not apply.

With this form you can:

- Sell investments (Section 2)
- Sell investments and reinvest the proceeds (Section 2)
- Make additional payments into your Account (Section 3)
- Purchase investments (Section 4)

Automatic dealing

The cash balance in each of your Security Accounts will be used to automatically reinvest in the same investment as soon as the Minimum Purchase Level for that Security Account is reached.

With this form you can:

- Change your Minimum Purchase Levels (Section 5)
- Set up a regular transfer from your deposit account (Section 6)
- Set up or amend Direct Debit instructions (Section 7)

Any new instructions you give us on this form will replace any existing instructions we have for Sections 5, 6 and 7.
